

# BIOLOGY

## MAJORS

- Biology: B.A., B.S., M.S., Ph.D.
- Microbiology: B.S., M.S., Ph.D.
- Molecular & Cell Biology: B.S.
- Neuroscience: B.S., Molecular & Cellular Track
- Zoology: B.S.

## MINORS

- Biology
- Bioinformatics
- Neuroscience
- Pre-Medicine

## CAREERS

- Biotechnologist
- Dentist
- Microbiologist
- Molecular Biologist
- Optometrist
- Physician
- Professor

## DEGREE OVERVIEW

The Department of Biology is responsible for introducing biological principles to students in every Texas A&M University major. We provide modern and comprehensive B.S. and B.A. curricula in biology, molecular and cell biology, microbiology, neuroscience and zoology for more than 2,000 undergraduate biology majors in tandem with exceptional networking and career development opportunities. These degrees prepare students for various life science careers and are an excellent entrée to the healthcare professions. Whether you are interested in pursuing a major in one of our disciplines or you are a current student who would like information on courses and/or the program, we have excellent undergraduate advisors who will be happy to help you.

## UNDERGRADUATE RESEARCH

Research in the Department of Biology spans from ecology and evolution to molecular, cellular, and developmental biology. Doing research as an undergraduate student is an excellent way to work on the frontiers of discovery and will provide solid experience that can benefit your future career goals.

As a vital part of the department, students work with faculty and other researchers on cutting-edge research problems, publish results in leading journals, participate in the department's research competition held each spring, and gain technical and critical-thinking skills.

# APPLY IN 5 EASY STEPS

**VISIT ADMISSIONS**  
admissions.tamu.edu

Hear from current Aggies.  
Discover Aggieland.  
Learn how to apply.

**CREATE AN ONLINE ACCOUNT**  
at *Apply Texas* or *Common App*

You will need:

- general personal information
- academic information
- high school transcript/resumé
- letters of recommendation

**COMPLETE AND SUBMIT**  
your Texas A&M application

Texas A&M school code: **003632**  
Remember to include your  
“MAJOR” selection.

**RECEIVE AND ACTIVATE**  
your Universal ID Number (UIN)

Your UIN is a nine-digit number  
sent to your email once you’ve  
applied.  
You can activate your UIN and  
create your NetID at:  
services.tamu.edu/activation

**LOG ON TO THE APPLICANT  
INFORMATION SYSTEM (AIS)**  
applicant.tamu.edu

Use the AIS website to:

- check your application’s status
- upload any other required  
documents
