SCOM 685 GRADUATE STUDIES PROBLEMS:

PREREQUISITES:

- Individual consultation & agreement between student & faculty director will precede this formal, written request.
- This formal, written request will be completed & approved before student registers for this course.
- Although clock hours are not absolute of limiting, a general guideline is the expenditure of approximately 45 clock hours per semester hour of credit allowed for problems courses.
- There shall be regular consultation between student & faculty director as agreed upon between them before the beginning of the project.

HOW TO REGISTER:

- Complete and sign form & have the faculty instructor sign it.
- Send the form to Silvia Martinez at smartinez1@tamu.edu
- You will receive the course information once the course is created. It is the student's responsibility to register for the correct number of course credits. **The registration portal may default to one credit hour. You must adjust to 3 hours by using the add/drop feature in Howdy.**
